

MJ Sanding LTD – Terms & Conditions

These Terms and Conditions apply to all floor sanding, restoration, repair, installation and finishing services provided by MJ Sanding LTD.

1. Definitions

“The Company” means MJ Sanding LTD. “The Client” means the person or company instructing MJ Sanding LTD to carry out the works. “The Premises” means the property where the works are to be carried out. “The Works” means the services agreed between MJ Sanding LTD and the Client.

2. Contract

These Terms and Conditions form part of the agreement between MJ Sanding LTD and the Client. By accepting a quotation, confirming a booking or allowing works to commence, the Client accepts these Terms and Conditions.

3. Quotations

Telephone, online or photo-based quotations are estimates only. Final prices may be confirmed or adjusted following inspection of the premises. Prices may be adjusted if the Client changes the scope of works, if measurements differ significantly from those supplied, or if additional works are required. Replacement timber, thresholds and repairs may be charged per linear metre where applicable. A minimum charge of £500 applies to all projects. Quotations are valid for 6 weeks unless stated otherwise.

4. VAT

Prices do not include VAT. MJ Sanding LTD is not VAT registered as turnover is below the VAT registration threshold.

5. Deposit, Payment and Extras

A 30% deposit is payable prior to commencement of works and becomes non-refundable once works commence. If works are cancelled at short notice or cannot proceed due to lack of access, incomplete preparation, or circumstances outside of MJ Sanding LTD's control, the deposit may be retained to cover lost time and scheduling costs. The remaining balance is payable within 3 days of completion of works. Additional or varied works requested by the Client will be charged separately at a reasonable rate.

6. Client Responsibilities

Rooms must be empty before works commence unless agreed otherwise. The Client must provide access, electricity, running water where required, and parking permits if needed. The Client is responsible for ensuring the premises are ready for works to proceed.

7. Sanding, Dust and Site Conditions

Sanding is approximately 95% dust-free, however some fine dust is unavoidable. MJ Sanding LTD cannot be held responsible for damage caused by furniture movement or unavoidable dust contamination.

8. Timber, Repairs and Existing Damage

Timber is a natural material. Variations in colour, grain, movement, gaps and absorption of stains or finishes cannot be fully prevented or guaranteed against. Existing stains, odours, damage, previous poor workmanship, loose boards, subfloor issues or hidden defects may affect the final result and may require additional work. Major repairs, subfloor repairs or structural works are chargeable extras unless specifically included in the quotation.

9. Gap Filling

Gap filling is not guaranteed against future movement. Timber expands and contracts naturally due to humidity, temperature and seasonal changes. Gap filling to walls, skirting, stairs, risers or other edges is excluded unless specifically stated in the quotation.

10. Staining, Colouring and Finishing

Colour samples are indicative only. Final colour may vary depending on timber species, age, previous treatments and floor condition. Once staining, colouring or sealing has commenced, changes are chargeable. Finishing systems and number of coats will be as stated in the quotation. Floors must not be walked on, covered, cleaned or used until sufficiently dry and cured.

11. Timing and Delays

Start and completion dates are estimates only and may vary due to site conditions, drying times, access issues or circumstances outside of MJ Sanding LTD's control.

12. Complaints and Remedial Works

Any complaints must be made in writing. The Client must allow MJ Sanding LTD the opportunity to inspect and remedy any alleged workmanship issues before arranging third-party repairs.

13. Hidden Pipes and Defects

MJ Sanding LTD is not responsible for hidden pipes, cables or defects that could not reasonably be identified before works commenced.

14. Governing Law

These Terms & Conditions are governed by English law.
